AMENDED REQUEST FOR AUTHORITY TO INCUR COSTS (APPOINTED COUNSEL) AND REQUEST FOR PAYMENT

REQUEST OF PRO BONO FOR PRE-APPROVAL OF EXPENDITURES

Complete this form and return it to the court (with two copies) for approval prior to incurring the cost for which reimbursement is requested.

I, John F. Garland, attorney for plaintiff(s), declare as follows:

I was appointed to represent plaintiff(s) in this action on June 1, 2009 by the Honorable Gary S. Austin, United States District Judge/Magistrate.

I believe that the following course of action is reasonably necessary to the prosecution of this action:

Photocopies of all Plaintiff's medical records obtained by subpoena by Defendant Ashraf's counsel. Ashraf's counsel has informed me that the Plaintiff's medical records in their possession consists of 2,363 pages; the cost per copy is \$0.20 and the labor cost to photocopy the records is \$10.00 per hour with an eight hour estimate. Authorization to incur costs in the amount of \$552.60 [\$472.60 (copies) plus \$80.00 labor] is requested. Counsel has also requested copies of Plaintiff's medical records from U.C. Davis Medical Center. The records department has advised counsel that the costs for these is \$113.23. (Number of copies not disclosed to counsel). Authorization to incur costs in the amount of \$113.23 is requested. The amount previously approved by the Court was based on an estimate which did not include the \$30.00 cost of shipping & handling or 9% sales tax of \$38.54.

(e.g., deposition of _____, defendant herein).

I have made reasonable inquiry and believe that the cost of this course of action will not exceed the amount of \$ 700.00

I therefore request that this court authorize the expenditure in an amount not to exceed that stated above for the completion of this contemplated course of action.
