20 This Court's December 3, 2007 order dismissed this action with prejudice and closed it.  
21 A December 3, 2007 judgment was entered on the order. On March 6, 2014, plaintiff Baron  
22 Bower ("Mr. Bower") filed his request to reopen this action.

23 This Court thoroughly reviewed and evaluated Mr. Bower's request and the record and  
24 finds no good cause to reopen this action more than six years after it was closed. A basic  
25 principle of federal practice is that courts generally refuse to reopen decided matters.  
26 *Magnesystems, Inc. v. Nikken*, 933 F.Supp. 944, 948 (C.D. Cal. 1996). This Court has fully  
27 evaluated Mr. Bower's claims and has determined that they lack sufficient factual and legal  
28 grounds. Recently discovered documents do not enliven Mr. Bower's dismissed claims.

1 Moreover, appeal and other deadlines have long past, and no good cause exists to renew them.

2 As such, this Court DENIES Mr. Bower's request to reopen this action.

4 IT IS SO ORDERED.
