Plaintiff is proceeding pro se with an action for damages and other relief concerning alleged civil rights violations. The matter has been referred to the Magistrate Judge pursuant to 28 U.S.C. § 636(b) and Local Rules 72-302 and 72-304.

On August 8, 2007, Plaintiff filed the complaint upon which this action proceeds.

The Clerk of the Court incorrectly designated the action as one involving a prisoner litigating the conditions of his confinement at a California state prison and assigned a “PC” to the case number. Upon further review by the Court, it has been determined that the present action does not involve state prison conditions of confinement.

Therefore, it IS ORDERED that

1) The Clerk of the Court IS DIRECTED to

a) Change the designation of the present case to reflect that of a regular civil

action by removing the “PC” from the case number; and

b) Randomly assign new judges to the case; and

c) Send a notice of the new case number to all parties in this action; and

2) The parties ARE DIRECTED to use the re-designated case number, from which the

“PC” suffix has been removed, in the pleadings and documents filed in this action.

IT IS SO ORDERED.
