

1 dismiss, or after an answer to the petition has been filed. See Herbst v. Cook, 260 F.3d 1039 (9th
2 Cir.2001).

3 A petitioner who is in state custody and wishes to collaterally challenge his conviction by a
4 petition for writ of habeas corpus must exhaust state judicial remedies. 28 U.S.C. § 2254(b)(1). The
5 exhaustion doctrine is based on comity to the state court and gives the state court the initial
6 opportunity to correct the state's alleged constitutional deprivations. Coleman v. Thompson, 501
7 U.S. 722, 731, 111 S.Ct. 2546, 2554-55 (1991); Rose v. Lundy, 455 U.S. 509, 518, 102 S.Ct. 1198,
8 1203 (1982); Buffalo v. Sunn, 854 F.2d 1158, 1163 (9th Cir. 1988).

9 A petitioner can satisfy the exhaustion requirement by providing the highest state court with a
10 full and fair opportunity to consider each claim before presenting it to the federal court. Picard v.
11 Connor, 404 U.S. 270, 276, 92 S.Ct. 509, 512 (1971); Johnson v. Zenon, 88 F.3d 828, 829 (9th Cir.
12 1996). A federal court will find that the highest state court was given a full and fair opportunity to
13 hear a claim if the petitioner has presented the highest state court with the claim's factual and legal
14 basis. Duncan v. Henry, 513 U.S. 364, 365 (1995) (legal basis); Kenney v. Tamayo-Reyes, 504 U.S.
15 1 (1992) (factual basis).

16 Additionally, the petitioner must have specifically told the state court that he was raising a
17 federal constitutional claim. Duncan, 513 U.S. at 365-66; Lyons v. Crawford, 232 F.3d 666, 669
18 (9th Cir.2000), *amended*, 247 F.3d 904 (2001); Hiivala v. Wood, 195 F.3d 1098, 1106 (9th Cir.1999);
19 Keating v. Hood, 133 F.3d 1240, 1241 (9th Cir.1998). In Duncan, the United States Supreme Court
20 reiterated the rule as follows:

21 In Picard v. Connor, 404 U.S. 270, 275 . . . (1971), we said that exhaustion
22 of state remedies requires that petitioners "fairly present[]" federal claims to the
23 state courts in order to give the State the "opportunity to pass upon and correct
24 alleged violations of the prisoners' federal rights" (some internal quotation marks
25 omitted). If state courts are to be given the opportunity to correct alleged violations
26 of prisoners' federal rights, they must surely be alerted to the fact that the prisoners
27 are asserting claims under the United States Constitution. If a habeas petitioner
28 wishes to claim that an evidentiary ruling at a state court trial denied him the due
process of law guaranteed by the Fourteenth Amendment, he must say so, not only
in federal court, but in state court.

Duncan, 513 U.S. at 365-366. The Ninth Circuit examined the rule further, stating:

Our rule is that a state prisoner has not "fairly presented" (and thus exhausted) his federal claims in state court *unless he specifically indicated to*

1 *that court that those claims were based on federal law. See Shumway v. Payne, 223 F.3d 982, 987-88 (9th Cir. 2000). Since the Supreme Court's decision in*
2 *Duncan, this court has held that the petitioner must make the federal basis of the*
3 *claim explicit either by citing federal law or the decisions of federal courts, even*
4 *if the federal basis is "self-evident," Gatlin v. Madding, 189 F.3d 882, 889*
5 *(9th Cir. 1999) (citing Anderson v. Harless, 459 U.S. 4, 7 . . . (1982), or the*
6 *underlying claim would be decided under state law on the same considerations*
7 *that would control resolution of the claim on federal grounds. Hiiivala v. Wood,*
8 *195 F.3d 1098, 1106-07 (9th Cir. 1999); Johnson v. Zenon, 88 F.3d 828, 830-31*
9 *(9th Cir. 1996);*

10 In Johnson, we explained that the petitioner must alert the state court to
11 the fact that the relevant claim is a federal one without regard to how similar the
12 state and federal standards for reviewing the claim may be or how obvious the
13 violation of federal law is.

14 Lyons v. Crawford, 232 F.3d 666, 668-669 (9th Cir. 2000) (italics added).

15 In this case, it is clear Petitioner has not sought relief in the state courts with respect to the
16 instant claims. The hearing was held on July 31, 2007, and Petitioner signed the instant petition on
17 August 1, 2007. Thus, the instant petition is unexhausted and must be dismissed. 28 U.S.C. §
18 2254(b)(1).

19 RECOMMENDATION

20 Accordingly, the Court RECOMMENDS that the petition for writ of habeas corpus be
21 DISMISSED without prejudice.¹ Petitioner is forewarned that there is a one year limitations period
22 in which Petitioner must file a federal petition for writ of habeas corpus. 28 U.S.C. §2244(d)(1). In
23 most cases, the one year period starts to run on the date the California Supreme Court denies
24 Petitioner's direct review. Rose v. Lundy, 455 U.S. 509, 521-522. The limitations period is tolled
25 while a properly filed request for collateral review is pending in state court. 28 U.S.C. § 2244(d)(2).
26 However, the limitations period is not tolled for the time such an application is pending in federal
27 court.

28 ¹A dismissal for failure to exhaust is not a dismissal on the merits, and Petitioner will not be barred from returning to federal court after Petitioner exhausts available state remedies by 28 U.S.C. § 2244 (b)'s prohibition on filing second petitions. See In re Turner, 101 F.3d 1323 (9th Cir. 1996). However, the Supreme Court has held that:

[I]n the habeas corpus context it would be appropriate for an order dismissing a mixed petition to instruct an applicant that upon his return to federal court he is to bring only exhausted claims. See Fed. Rules Civ. Proc. 41(a) and (b). Once the petitioner is made aware of the exhaustion requirement, no reason exists for him not to exhaust all potential claims before returning to federal court. The failure to comply with an order of the court is grounds for dismissal with prejudice. Fed. Rules Civ. Proc. 41(b).

Slack v. McDaniel, 529 U.S. 473, 489 (2000). Therefore, Petitioner is forewarned that in the event he returns to federal court and files a mixed petition of exhausted and unexhausted claims, the petition may be dismissed with prejudice.

1 court. Duncan v. Walker, 531 U.S. 991 (2001).

2 This Findings and Recommendation is submitted to the Honorable Anthony W. Ishii, United
3 States District Court Judge, pursuant to the provisions of 28 U.S.C. § 636(b)(1)(B) and Rule 72-304
4 of the Local Rules of Practice for the United States District Court, Eastern District of California.

5 Within ten (10) court days (plus three days if served by mail) after being served with a copy, any
6 party may file written objections with the court and serve a copy on all parties. Such a document
7 should be captioned “Objections to Magistrate Judge’s Findings and Recommendation.” Replies to
8 the objections shall be served and filed within ten (10) court days (plus three days if served by mail)
9 after service of the objections. The Court will then review the Magistrate Judge’s ruling pursuant to
10 28 U.S.C. § 636(b)(1)(C). The parties are advised that failure to file objections within the specified
11 time may waive the right to appeal the District Court’s order. Martinez v. Ylst, 951 F.2d 1153 (9th
12 Cir. 1991).

13 IT IS SO ORDERED.

14 **Dated:** October 3, 2007
