7	FOR THE DISTRICT OF ARIZONA

9	John Michael Balbo,) No. CV 07-1715-PHX-NVW
10	Plaintiff,) ORDER
11	vs.	
12		
13	James E. Tilton, et al.,	
14	Defendants.	
15	Before the Court is Plaintiff's Motion for Contempt, etc. (Doc. #28.) Judgment was	
16	entered on October 7, 2009, dismissing this action with prejudice for failure to state a claim	
17	after nearly two years and multiple attempts to plead a claim. Plaintiff's Motion for	
18	Contempt, etc., some 18 pages in length, demonstrates that Plaintiff can write and file court	
19	papers, notwithstanding his repeated assertions to the contrary. Plaintiff has never presented	
20	any basis to think there is any merit to his case. To the extent Plaintiff purports to allege new	
21	claims, he may assert them in a new action. There is no error in the judgment entered	
22	October 7, 2009, and no basis is shown for relief from it.	
23	IT IS THEREFORE ORDERED that Plaintiff's Motion for Contempt, etc. (doc. #28)	
24	is denied.	
25	Dated: October 8, 2009.
