**JOINT NOTICE OF INTENT TO
PROCEED AND ORDER
FOR FURTHER JOINT NOTICE**

19 Pursuant to the Findings of Fact and Conclusions of Law and entered by this Court
20 on May 27, 2010, the parties file their Joint Notice of Intent to Proceed.

21 Counsel for the parties have conferred and discussed this matter on several occasions.
22 The parties agree that additional information and records are necessary before being able to
23 provide an indication of the unresolved issues. A disagreement may exist between the
24 parties as to how the case is to be resolved once they have each obtained the additional
25 medical records and information. The parties are currently cooperating in obtaining
26 additional medical and financial information and updated claim forms. The parties are
27 hopeful that further information will be available in the next 60 days. In the event that the
28

1 parties are at that time unable to resolve their differences, they will provide the Court with a
2 more detailed report of the unresolved issues and each parties' understanding of how, based
3 on this Court's previous ruling, the case is to proceed.

4 IT IS HEREBY STIPULATED by and between the parties hereto through their
5 respective attorneys that the parties provide a further joint notice of intent to proceed by
6 August 23, 2010.
