UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

EFRAIN MUNOZ, *et al.*,
Plaintiffs,
vs.
PHH CORP. *et al.*,
Defendants.

Case No. 1:08-cv-0759-AWI-BAM
**SCHEDULING ORDER RE: CLASS
DISCOVERY AND SUPPLEMENTAL
BRIEFING ON CLASS CERTIFICATION**

On August 14, 2013, the Court held a Status Conference concerning the status of this case in light of the Court's Findings and Recommendations Granting in Part and Denying in Part Plaintiffs' Motion for Class Certification (Doc. 230), as well as the Court's Order granting Marcella Villalon's Motion to Intervene (Doc. 242.)

Having considered the arguments of the parties, additional class discovery and supplemental briefing on class certification is warranted. Specifically, the parties shall be permitted to conduct discovery on the following issues: (1) whether Ms. Villalon's claims are typical of a tolling subclass pursuant to Fed. R. Civ. P. 23(a)(3); (2) whether Ms. Villalon is an adequate class representative pursuant to Fed. R. Civ. P. 23(a)(4); (3) whether resolving the merits of claim tolling involves adjudicating common issues pursuant to Fed. R. Civ. P. 23(a)(2); and (4) whether the common issues involved in litigating claim tolling predominate over individual inquiries pursuant to Fed. R. Civ. P.
