**RECITALS**

WHEREAS, this court modified the original Preliminary Scheduling Order in this matter on December 18, 2008 and established new deadlines for the plaintiffs’ pending class certification motion (Doc. 35).

WHEREAS, the parties have complied with that revised schedule and have completed most, but not all discovery related to class certification.

WHEREAS, the parties have concluded that it would be more fruitful at this time to explore settlement rather than to expend further resources on continued litigation, including the upcoming class certification motion.

WHEREAS, the parties have agreed to engage in private ADR with a mediator. and

WHEREAS, the Parties have met and conferred to propose new class certification discovery and class certification motion dates which will extend the current deadlines by approximately ninety (90) days.

**STIPULATION**

NOW, THEREFORE, the Parties jointly propose that the current schedule for class certification discovery and the briefing and hearing on Plaintiffs’ class certification motion be revised as follows:

- Discovery cutoff for class certification motion - May 18, 2009
- Last day to file/serve class certification motion - June 8, 2009
- Last day to file/serve opposition to class certification motion - June 22, 2009
- Last day to file/serve reply to opposition to class certification motion – June 29, 2009
- Last day for Court Hearing on class certification motion – On or about July 6, 2009,

subject to the Court’s availability.

The parties also request that the scheduled hearing for February 6, 2009 on plaintiffs’ discovery motion be vacated.
