17 The parties, through their respective counsel, have conferred regarding extending the trial  
18 and discovery dates. Good cause exists as defense counsel has a prepaid vacation scheduled at the  
19 time set for trial. Erica Camarena, formerly with Weakley, Arendt & McGuire, was involved in the  
20 handling of the case at the time of the scheduling conference and appeared at the scheduling  
21 conference when the court set the trial date. In the Joint Scheduling Conference Report the parties  
22 requested a trial date of August 16, 2010; however, the court set the trial for July 7, 2010. Defense  
23 counsel Rosemary McGuire, is scheduled to be out of the country from July 8, 2010 to July 19,  
24 2010.

25 Additionally, there is extensive medical discovery that needs to be conducted, including the  
26 scheduling of at least one independent medical examination. The parties believe this will take  
27 longer than originally anticipated. The parties, through their respective counsel, therefore stipulate  
28 to extend discovery, motion and trial dates as follows:
