Type : **High Profit Value Domain Name**

This auction is for: HA-MC.COM Domain name

I b.s. you not, once this name is sold, it will NEVER be up for sale EVER again. Buy it now, it will go FAST

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) and 5 letter (LLLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four or five letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am selling at a bare minimum and donating a majority of the profit to the local SPCA.

What is the difference from a four letter domain and others? Typically a good 4 or 5 letter domain will sell for 10-100 time more then a 6+ letter.

GET THE FOUR LETTER AND FIVE LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!!!

FIRST COME...FIRST SERVE... I know this is a smoking deal, I just need to clearance them out.

HA-MC.COM is parked at Godaddy.com. Since its already parked there, when you purchase and I transfer to your FREE Godaddy.com account you will get free email and web page you can set up for up to 5 pages and multiple emails. Example: mike@ha-mc.com, info@ha-mc.com, ralley@ha-mc.com, etc.

I am taking paypal only, after purchase, I will contact you. I will allow a 5 day clearing time on credit cards and check through paypal.com. Funded accounts will clear immediately. I will then unlock web address, and send you security code to transfer to your account. I will also send all copy of all paper work and codes via fedex. If you need help with it, I can talk you through it, it's a lot easier then it sounds. Godaddy.com makes it pretty easy for anyone and they have someone you can call 24/7 for help. Transfer should be free push, but Godaddy.com might charge a transfer fee less then \$10. Check with then before you buy.

This auction is for: 81-MC.COM Domian name

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) and 5 letter (LLLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am looking to just clearance out and cover my expenses and not to profit on an 81 logo. That is why I am selling for **\$208**. that will cover domain, reg. PV, Ebay and paypal and whats left over is going to our local SPACA.

What is the difference from a four letter domain and others? Typicly a good 4 letter domain will sell for 10-100 time more then a 5 letter. 5 letter will sell 10-100 times those with more then 5 letters.

GET THE FOUR LETTER AND FIVE LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!!!

FIRST COME...FIRST SERVE... I know this is a smoking deal, I just need to clearance them out.

81-MC.COM is parked at Godaddy.com. Since its already parked there, when you purchase and I transfer to your FREE Godaddy.com account you will get free email and web page you can set up for up to 5 pages and multiple emails. Example: mike@81-mc.com, info@81-mc.com, ralley@81-mc.com, etc.

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am looking to just clearance out and cover my expenses and not to profit on an 81 logo. That is why I am selling for **\$108.** that will cover domain, reg. PV, Ebay and paypal and whats left over is going to our local SPACA.

What is the difference from a four letter domain and others? Typically a good 4 letter domain will sell for 10-100 time more then a 5 letter. A good .COM domain will sell 100-10,000 times more then the .org and .net sites of the same site.

This auction is for: 81TX.COM Domian name

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am looking to just clearance out and cover my expenses and not to profit on an 81 logo. That is why I am selling for **\$108.** that will cover domain, reg. PV, Ebay and paypal and whats left over is going to our local SPACA.

What is the difference from a four letter domain and others? Typically a good 4 letter domain will sell for 10-100 time more then a 5 letter. A good .COM domain will sell 100-10,000 times more then the .org and .net sites of the same site.

GET THE FOUR LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!

FIRST COME...FIRST SERVE... I know this is a smoking deal, I just need to clearance them out.

81TX.COM is parked at Godaddy.com. Since its already parked there, when you purchase and I transfer to your FREE Godaddy.com account you will get free email and web page you can set up for up to 5 pages and multiple emails. Example: mike@81tx.com, info@81tx.com, ralley@81tx.com etc.

I am taking paypal only, after purchase, I will contact you. I will allow a 5 day clearing time on credit cards and check through paypal.com. Funded accounts will clear immediately. I will then unlock web address, and send you security code to transfer to your account. If you need help with it, I can talk you through it, it's a lot easier then it sounds. Godaddy.com makes it pretty easy for anyone and they have someone you can call 24/7 for help. Transfer should be free push, but Godaddy.com might charge a transfer fee less then \$10. Check with then before you buy.
