To facilitate settlement discussions regarding Plaintiff San Luis & Delta-Mendota Water Authority's ("Authority") claim for attorneys' fees and other expenses in this case, the Authority and Defendants Sally Jewell, Secretary of Interior, et al. ("Federal Defendants") have previously stipulated to, and the Court has ordered, a stay on briefing and argument of the Authority's motion for attorneys' fees and other expenses. Doc. 771. These parties have now reached a recommended agreement in principle to settle the Authority's fees claim, subject to review within the Department of Justice and the Department of Interior. To allow time for the review of the proposed settlement, the Authority and Federal Defendants jointly request that this Court extend the stay on Authority's motion for attorneys' fees and other expenses for an additional 90 days, to December 15, 2015. The parties are requesting the same extension of a stay on the Authority's pending motion for attorneys' fees in the Delta Smelt Cases, Case 1:09-cv-407-LJO-BAM, which these parties have likewise settled in principle.

In support of this request, the Authority and Federal Defendants stipulate as follows:

- 1. On March 19, 2015, the Authority filed a motion for an award of attorneys' fees and other expenses for this litigation. Doc. 764.
- 2. On March 19, 2015, the Court approved the parties' stipulation to stay further briefing and argument on the Authority's motion for attorneys' fees and other expenses until September 15, 2015, to allow for settlement discussions. Doc. 771. That order directed the parties to apprise the Court of any settlement or further requested action, or jointly propose a briefing schedule to address the Authority's motion for fees and other expenses if there was no settlement, upon expiration of the stay.
- 3. The Authority and Federal Defendants have reached a recommended agreement in principle to settle the Authority's claim for fees and expenses. Before any settlement can be concluded however, the proposed settlement terms must be reviewed and approved within the Department of Justice and the Department of Interior. If the recommended agreement is eventually adopted, the Authority and Federal Defendants agree that further briefing and argument on the Authority's claim for fees and other expenses, and a decision by the Court, will be unnecessary. A stay will therefore conserve the parties' and the Court's resources.

1	4. Based on the joint stipulation set forth above, the parties respectfully request that	
2	this Court extend the stay of briefing and argument on the Authority's motion for attorneys' fees	
3	and other expenses until December 15, 2015. By that date, the parties will either report that	
4	settlement has been completed and the Authority is withdrawing its motion for fees and expenses,	
5	or request other action by the Court in the absence of a completed settlement.	
6	Respectfully submitted this 14th day of September, 2015.
