On October 18, 2010, the parties submitted proposed stipulated pre-trial discovery deadlines. (ECF No. 41.) The parties stated that additional time was needed to complete discovery because there is a pending motion for reconsideration concerning Plaintiff’s motion to compel, production of documents cannot be completed until a ruling on said motion is made, and certain deposition transcripts are not yet ready. On this basis, the Court finds that an extension is warranted.

The parties represented that the new dates would not affect the Court’s pre-trial conference or trial date. If the Court accepts the stipulated dates, however, an continuance of the pre-trial conference and trial dates is necessary to allow the Court adequate time to address the dispositive motions and other matters in advance of trial. Accordingly, the deadlines set forth in the January 14, 2010 Scheduling Order are **AMENDED** as follows:

1. The deadline to disclose all expert witnesses shall be extended to November 2, 2010;
