Petitioner Keith Zon Doolin (“Doolin”) filed a pro se request for the Court to appoint replacement counsel to represent him in federal proceedings on December 23, 2013. Currently, CJA attorney Michael Levine is Doolin’s federal counsel of record and the federal proceedings are being held in abeyance pending exhaustion of state remedies before the California Supreme Court. Federal proceedings will not resume until the California Supreme Court has issued a final ruling on Doolin’s pending state habeas corpus petition. The Court will appoint replacement counsel for Mr. Levine once the Selection Committee for the Eastern District makes a recommendation for new counsel.

IT IS SO ORDERED.

Dated: December 31, 2013
