**ORDER DIRECTING CLERK TO FILE DOCUMENTS UNDER SEAL**  
**ORDER CONTINUING HEARING DATE**

On August 17, 2010, this Court issued an order requiring Defendant Vanessa Kachudurian to file supplemental points and authorities in support of her motion to set aside default. Defendant was ordered to file the documents no later than September 3, 2010. (Doc. 50 at 4.)

On September 3, 2010, Defendant presented documents to the Clerk of the Court for filing. However, the exhibits to Defendant’s supplemental pleading contained personal identifying information that the Court believes should be protected from public disclosure, including, for example, a photocopy of Defendant’s California driver’s license.
