19	The Stipulation filed by the parties on November 11, 2011 (Doc. 13), is ADOPTED with the following cautionary note: While the parties "do not anticipate the filing of any dispositive				
20	pre-trial motions," the parties are expressly advised that were either to file a dispositive motion, it would be <i>highly unlikely</i> , in light of the workload carried by the district judges in this Court, that				
21	the pre-trial conference and trial dates would remain as scheduled despite the parties' wishes.
