

1 Generally, Federal Rule of Civil Procedure 5 requires service of a written motion on every
2 party, unless the motion may be heard ex parte. Federal Rule of Civil Procedure 5 (a)(1)(D). Although
3 the Court does not condone any lack of compliance with the rules, in this case the Proposed
4 Intervenor's motion was denied without the need to consider the lack of service of the motion on
5 Plaintiff. Plaintiff has not shown any grounds for requiring that she be served with a copy of this now-
6 decided motion, nor has she shown any grounds for striking the motion from the record or requiring
7 the Court to amend its prior order.

8 For these reasons, it is HEREBY ORDERED that Plaintiff's objections to motion and order
9 denying intervenors' motion are overruled.

10
11 IT IS SO ORDERED.
