For purposes of presenting evidence during the course of the trial in this matter, the parties are advised that **a training session with Court's Information Technology ("IT") personnel is set for Monday, May 6, 2013, at 3:00 in Courtroom 7.** At this training session, the parties will receive instructions on how to utilize the courtroom technology for purposes of presenting documentary, video, or sound recording evidence.

The parties are further advised that any materials they wish to exhibit on courtroom television monitors must be done through their personal laptop computers. 3 equipped to project single pages of paper evidence onto the courtroom's television monitors.

4 Counsel are strongly encouraged to attend this training session and test any electronic  
5 equipment containing evidence they wish to display at trial.
