On July 19, 2013 Petitioner Clifton Perry (“Perry”) requested modification of the Court’s order holding federal proceedings in abeyance with respect to the completion of his state exhaustion petition. In that July 19, 2013 order, the Court set a due date falling on September 3, 2013. Perry requests a 30-day enlargement of time for that due date up to and including October 3, 2013.

For good case shown, the motion to modify the abeyance order is granted. Perry is directed to file his exhaustion petition with the California Supreme Court by October 3, 2013. The first status report shall be due December 1, 2013 and filed quarterly thereafter.

IT IS SO ORDERED.
