)	REQUEST FOR STAY
vs.)	(Document 19)
)	
R. L. ATHEY, et al.,)	ORDER GRANTING EXTENSION
)	OF TIME TO FILE OBJECTIONS
Defendants.)	

Plaintiff Emiliano Lopez (“Plaintiff”) is state prisoner proceeding pro se and in forma pauperis in this civil rights action pursuant to 42 U.S.C. § 1983. Plaintiff filed this action on December 16, 2011.

On November 13, 2013, the Court issued Findings and Recommendations that this action be dismissed for Plaintiff’s failure to state a claim for which relief may be granted. On December 16, 2013, the Court granted Plaintiff’s request for a thirty-day extension of time within which to file objections.

On January 9, 2014, Plaintiff filed a Request to Stay the Proceedings. He explains that a stay is necessary because the computers have been removed from the prison law library in anticipation of changing the legal research program.

1 Plaintiff's request is DENIED. The Court will not grant an indefinite stay simply
2 because Plaintiff cannot perform computerized legal research. Indeed, the Findings and
3 Recommendations set forth the legal standards for the claims at issue.

4 The Court will GRANT Plaintiff a second thirty day extension of time to file objections.
5 Plaintiff shall file his objections within thirty days of the date of service of this order.

6 Further extensions will be granted only upon a showing of good cause.
