| LIBERTY LIFE ASSURANCE CO. OF BOSTON, |) | |
| |) | |
| Defendant. |) | |

Plaintiff David Ovalle is proceeding pro se in this action and has requested permission to e-file documents in this Court's CM/ECF case management system. He has not, however, explained why the Court should make an exception to the general rule that pro se parties are not permitted to use CM/ECF. Local Rule 133(b)(3) provides that pro se applicant must "set[] out an explanation of reasons for the exception."

Plaintiff's motion is therefore DENIED WITHOUT PREJUDICE.

IT IS SO ORDERED.
