I was appointed to represent plaintiff(s) in this action on October 19, 2016, by the Honorable Magistrate Judge Erica Grosjean, United States District Judge/Magistrate Judge. I believe that the following course of action is reasonably necessary to the prosecution of this action:

Please see the attached declaration of counsel in support of plaintiff's initial request for authority to incur legal and Invesetigative costs and request for payment (December 16, 2016).

Counsel seeking reimbursement must support all claimed expenses by submitting invoices, receipts or similar documentation. Without such documentation, counsel will not be reimbursed.

I have made reasonable inquiry and believe that the cost of this course of action will not exceed the amount of \$ 4,202.50.

I therefore request that this court authorize the expenditure in an amount not to exceed that stated above for the completion of this contemplated course of action.
