- 5 1. The remaining parties to this case reached a settlement and executed a  
6 Joint Release and Settlement Agreement. The settlement calls for  
7 performance to take place over the next 120 days.  
8
- 9 2. The settlement will dispose of all parties and all issues. Claims by and  
10 against Defendant Bonessa Enterprises, Inc. were previously dismissed

- 13 3. The parties contemplate that all performance of the terms required to satisfy  
14 the agreement and to file dismissals of this case will occur within 120 days.  
15 The parties request that the Court stay all deadlines in this case, so that these  
16 last performance items may resolve themselves. Then the parties will file a  
17 joint dismissal with prejudice of this matter. In the unlikely event that  
18 performance is not completed in accordance with the settlement, the  
19 parties will promptly notify the Court and request a telephonic status
