Defendants.	)	

At the request of counsel, on May 22, 2014, the Court held an informal conference regarding counsels’ disagreement over certain discovery requests. Counsel were able to resolve most of the issues and, therefore, the Court **ORDERS**:

1. Requests Nos. 5 & 7 to Defendant Burgess– The parties will exchange a stipulation authenticating the documents related to the Warrack litigation. However, because this does not resolve the dispute in its entirety, Plaintiff is authorized to file her motion to compel as set forth in Local Rule 251(a), (c);
2. Requests Nos. 10-12, 15-17, 24-26 to TVHD – TVHD will provide a supplemental response indicating that it has no responsive documents;
3. Requests Nos. 13-14 to TVHD – With the clarification that these requests relate to Plaintiffs written statement presented to the TVHD Board related to the March 1, 2010 incident, Plaintiff is authorized to file her motion to compel as set forth in Local Rule 251(a), (c);
