ORDER

The parties' stipulation filed on February 3, 2015 (Doc. 38) outlined above is adopted by the Court IN PART. The new deadlines are outlined as follows:

Expert Disclosure	April 2, 2015
Supp. Expert Disclosure	April 23, 2015
Non-Expert Discovery Cut-off	April 27, 2015
Expert Discovery Cut-off	May 15, 2015
Pre-trial Motion Filing Deadline	June 15, 2015

The parties are advised that at this stage of the proceedings extension of the non-dispositive motion deadline as proposed is unnecessary. Non-expert and expert discovery deadlines have been extended and the associated motions to compel are tied to these deadlines. Compliance with these non-expert and expert discovery deadlines requires motions to compel be filed and heard sufficiently in advance of the cutoff so that the Court may grant effective relief within the allotted discovery time. A party's failure to have a discovery dispute heard sufficiently in advance of the discovery cutoff may result in denial of the motion as untimely.

Additionally, all other pre-trial motions must be filed no later than **June 15, 2015**, so that the Court has sufficient time to rule on the motions prior to the pretrial conference August 26, 2015.

All of other orders contained in this Court's scheduling order issued on May 8, 2014 (Doc. 36) remain in full force and effect.

IT IS SO ORDERED.

Dated: **February 4, 2015**
