20 Petitioner is a state prisoner proceeding pro se and in forma
21 pauperis with a petition for writ of habeas corpus pursuant to 28
22 U.S.C. § 2254. Pursuant to 28 U.S.C. § 636(c)(1), the parties have
23 consented to the jurisdiction of the United States Magistrate Judge
24 to conduct all further proceedings in the case, including the entry
25 of final judgment, by manifesting their consent in writings signed
26 by the parties or their representatives and filed by Petitioner on
27 October 7, 2013, and on behalf of Respondent on February 19, 2014.

28 Pending before the Court are 1) Petitioner's motion for a
status report on the progress of his case towards a ruling; and 2)

1 Petitioner's motion to amend the petition, which was filed on
2 December 15, 2014.

3 Insofar as Petitioner seeks a status report on any ruling on
4 his petition, Petitioner is INFORMED that the petition will be
5 determined as soon as resources permit. The Court has before it
6 many other petitions that have become ready for decision before
7 Petitioner's became ready. Further, the state of the pleadings in
8 the instant case is now uncertain because Petitioner is seeking to
9 amend the petition. Accordingly, the request for a status report
10 will be dismissed.

11 With respect to Petitioner's motion to amend the petition, the
12 Court has determined that input from Respondent will help to
13 determine the motion in an efficient manner. Further, Petitioner
14 will have an opportunity to file a reply to any opposition filed by
15 Respondent.

16 Accordingly, it is ORDERED that:

17 1) Petitioner's request for a status report is DISMISSED as
18 moot; and

19 2) Respondent's opposition or notice of non-opposition to
20 Petitioner's motion to amend shall be FILED no later than thirty
21 (30) days after the date of service of this order; and

22 3) Petitioner may file a reply to any opposition no later than
23 thirty (30) days after the date of service of the opposition.

24 IT IS SO ORDERED.

25 Dated: April 9, 2015
