1 MELISSA QUAIR, CASE NO.: 1:14-cv-00404-LJO-JLT 2 Plaintiff, ORDER TO CONSOLIDATE FOR ALL PRETRIAL PURPOSES 3 v. 4 COUNTY OF KERN, and DOES 1 to 100, Inclusive, 5 Defendants. 6 7 Plaintiffs in the five (5) above-captioned cases claim to have witnessed and/or videotaped a 8 violent encounter on or about May 7, 2013 between unnamed Kern County Sheriff's Department 9 Deputies and a man unrelated to Plaintiffs. All Plaintiffs claim to have been subjected to unlawful 10 treatment when certain of the Deputies attempted to retrieve the cellular telephone on which video had 11 been recorded. Among other things, Plaintiffs claim Deputies refused for several hours on the evening of 12 May 7, 2013 and again the next morning to let Plaintiffs leave an apartment where all Plaintiffs were 13 congregated. Defendants have filed substantially similar and overlapping motions to dismiss the five 14 separate complaints. On April 15, 2014, in light of the substantial overlap between these cases, the Court 15 issued an Order to Show Cause why these cases should not consolidated for pretrial purposes. No party 16 objected to consolidation. 17 Federal Rule of Civil Procedure 42(a) provides: 18 If actions before the court involve a common question of law or fact, the court may: 19 (1) join for hearing or trial any or all matters at issue in the actions; 20 (2) consolidate the actions; or 21 (3) issue any other orders to avoid unnecessary cost or delay. 22 The purpose of consolidation is to achieve judicial convenience and economy. See Johnson v. 23 Manhattan Ry. Co., 289 U.S. 479, 496-97 (1933). However, consolidation is not meant to "merge the 24 suits into a single cause, [] change the rights of the parties, or make those who are parties in one suit 25 parties in another." Id.; see also J.G. Link & Co. v. Continental Cas. Co., 470 F.2d 1133, 1138 (9th Cir.

26

	II		
1	1972) ("the law is clear that an act of consolidation does not affect any of the substantive rights of the		
2	parties"). A district court has broad discretion to determine whether and to what extent consolidation is		
3	appropriate. See In re Consol. Parlodel Litig., 182 F.R.D. 441, 444 (D.N.J. 1998). In deciding whether		
4	to consolidate, a court should balance the interest of judicial convenience against "any inconvenience,		
5	delay, or expense that it would cause." Huene v. United States, 743 F.2d 703, 704 (9th Cir. 1984); see		
6	also Bank of Montreal v. Eagle Assoc., 117 F.R.D. 530, 532 (S.D.N.Y. 1987) (court must weigh benefits		
7	of consolidation against "the potential for delay, confusion, or prejudice").		
8	The Court finds that consolidation for pretrial purposes will aid both judicial and party efficiency		
9	and that consolidation will not cause delay, confusion, or prejudice. Accordingly, the Clerk of Court is		
10	directed to consolidate these cases, with the lowest-numbered case, Arrieta v. County of Kern, 1:14-cv-		
11	00400-LJO-JLT, serving as the lead case. Until further notice, the parties and the Clerk of Court are to		
12	file all documents in all five consolidated cases under <u>only</u> the lead case number. Future captions		
13	should indicate the lead case number followed by the remaining "member case numbers" as follows:		
14		1:14-cv-00400-LJO-JLT 1:14-cv-00401-LJO-JLT	
15		1:14-cv-00401-L3O-3LT 1:14-cv-00402-LJO-JLT 1:14-cv-00403-LJO-JLT	
16		1:14-cv-00404-LJO-JLT	
17	Within ten (10) days after the dispositive motions deadline has passed and/or all dispositive motions		
18	have been ruled upon, whichever is later, the parties shall file a joint status report addressing whether		
19	consolidation should be extended to include trial.		
20	SO ORDERED Dated: April 25, 2014
