**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA**

DELIA WILSON, on Behalf of Herself and
All Others Similarly Situated,

 Plaintiff,

 v.

CONAIR CORPORATION,

 Defendant.

Case No: 1:14-cv-00894-WBS-SAB

CLASS ACTION

**ORDER DENYING PLAINTIFF’S REQUEST
TO SEAL CERTAIN EXHIBITS FILED IN
SUPPORT OF PLAINTIFF’S *EX PARTE*
APPLICATION TO EXTEND TIME TO FILE
MOTION FOR CLASS CERTIFICATION**

(ECF No. 89)

On December 8, 2015, Plaintiff filed an ex parte application to modify the scheduling order in this action. On December 9, 2015, Plaintiff filed a request to seal documents that were inadvertently publically filed with the ex parte application.

The protective order entered in this action requires a party who files protected material without the written permission of the opposing party to comply with Local Rule 141. (ECF No. 28 at ¶ 11.3.) Rule 141 provides “Documents may be sealed only by written order of the Court, upon the showing required by applicable law.” In order to seal documents attached to a nondispositive motion, the party is required to show good cause to seal the documents. Pintos v. Pacific Creditors Ass’n, 605 F.3d 665, 677-78 (9th Cir. 2009).

Here, Plaintiff states that she does not believe there is any confidential information included in the documents, but is making the request because Defendant designated the

1 documents as confidential. As Plaintiff was informed in the April 23, 2015 order denying a
2 previous request to seal documents, “[t]he Court does not seal case documents or exhibits from
3 public view without good cause. The fact that the parties designate the documents confidential
4 under the protective order is insufficient by itself show that good cause exists to file
5 documents under seal.” (ECF No. 43 at 2:10-14.) Plaintiff has not demonstrated that good
6 cause exists to seal the documents attached to the application.

7 Accordingly, IT IS HEREBY ORDERED that Plaintiff’s request to seal documents is
8 DENIED.

9
10 IT IS SO ORDERED.

11 Dated: December 9, 2015
