Defendants. )

---

Plaintiff requests clarification regarding the Court's minute order dated January 26, 2015, inquiring whether the motions to dismiss remain "under submission and review." (Doc. 18). Plaintiff's request is **GRANTED**, and the Court responds as follows:

Judge Ishii has taken the cross-motions to dismiss filed by Plaintiff and Defendants under submission. (*See* Doc. 15.) This means, the Court will consider the motions and issue a written ruling once they are decided. Because of this, issuing a case schedule is not practical. As a result, the Court issued the order continuing the scheduling conference to April 14, 2015, to allow more time to review and decide the motions to dismiss.

IT IS SO ORDERED.

Dated: February 20, 2015
