Plaintiff Archie Weir initiated an action for a violation of his civil rights by filing a complaint and a motion to proceed *in forma pauperis* on November 7, 2014. (Docs. 1-2.) The Court may authorize the commencement of an action without prepayment of fees “but a person who submits an affidavit that includes a statement of all assets such person . . . possesses [and] that the person is unable to pay such fees or give security therefor.” 28 U.S.C. § 1915(a). The Court has reviewed the application and the information provided is insufficient to determine whether Plaintiff satisfies the requirements of 28 U.S.C. § 1915(a).

According to his application, Plaintiff is currently incarcerated at Wasco State Prison. (Doc. 1 at 2.) However, Plaintiff failed to have an authorized officer report he amount he has available in his trust account, or attach a certified copy of Plaintiff’s trust account statement showing transactions for the past six months. As a result, the Court is unable to determine whether Plaintiff has funds that may be used to pay the filing fee in this action.

Accordingly, Plaintiff is **ORDERED** to file, within fourteen days of this order, an application that includes information regarding the sums available in his trust account, with a copy of his account statement certified by an authorized officer. Upon receipt of this information, the Court will resume consideration of Plaintiff's motion to proceed *in forma pauperis*. Plaintiff is warned that failure to comply with this order may result in denial of his application to proceed *in forma pauperis*.

IT IS SO ORDERED.

Dated: November 14, 2014
