) **DEADLINE AFTER SETTLEMENT;**
) **ORDER**

1 Plaintiff, Robert Feiger (“Plaintiff”), and Defendants, Marlene Robicheaux-Smith,
2 Natalie Clark, and Antoneya Graves (“Defendants,” and together with Plaintiff, “the Parties”),
3 together request that the Court extend the dispositional document filing deadline as follows:

4 1. On November 21, 2017, the Court issued an Order Following Settlement
5 (“Order”) noting that this matter had settled, and requiring that the parties file dispositional
6 documents within 30 days following service of the Order, which date is therefore December
7 21, 2017. (Dkt. 109.)

8 2. Defendants agreed to prepare the settlement documents. After working together
9 diligently to agree to the proposed terms, Defendants submitted to Plaintiff a proposed
10 settlement agreement on December 12, 2017. Plaintiff has requested changes be made to the
11 terms of settlement, and the Parties are currently working together to negotiate and finalize
12 those terms.

13 3. Once the Parties agree to the terms, the settlement agreement must be sent to
14 Plaintiff who is a prisoner at the Substance Abuse Treatment Facility in Corcoran, California.
15 As such, communications to and from Plaintiff can take significant time.

16 4. In order to allow the Parties time to finalize the terms of settlement, and to
17 obtain the Parties’ – most notably Plaintiff’s – signatures, they stipulate to extend the deadline
18 to file dispositional documents from December 21, 2017 to January 31, 2018, pending Court
19 approval.
