UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

JOAQUIN MURILLO,  
  
Plaintiff,  
  
v.  
  
K. HOLLAND, et al.,  
  
Defendants.

No. 1:15-cv-0266 DC SCR P

ORDER

Plaintiff, a state prisoner proceeding pro se with a civil rights action, has requested appointment of counsel and a settlement conference. Plaintiff filed similar motions in August. (ECF No. 157.) The court denied those motions as premature. (ECF No. 160.) For the same reasons,

IT IS HEREBY ORDERED that plaintiff's motions for the appointment of counsel and a settlement conference (ECF No. 159) are denied without prejudice to their renewal, if appropriate, after the district judge has ruled on defendants' motion for summary judgment.

DATED: October 29, 2024

  
SEAN C. RIORDAN
