The undersigned parties, by their respective counsel, hereby agree and stipulate as follows: 1 1. The settlement meeting pursuant to California Public Resources Code section 21167.8 2 presently scheduled for June 26, 2015, shall be continued to July 14, 2015 at 11:00 a.m. at the 3 offices of Kronick Moskovitz Tiedemann & Girard, located at 400 Capitol Mall, 27th Floor, 4 Sacramento, California 95814. 5 2. The Petition and Complaint on file in the above-referenced action alleges violations 6 of the California Environmental Quality Act ("CEQA"), Public Resources Code sections 21000 et 7 seq. by Respondent/Defendant San Luis & Delta-Mendota Water Authority ("Authority"). 8 3. The Petition and Complaint was filed on May 11, 2015, and served on 9 Respondent/Defendant Authority on May 20, 2015, along with Petitioners/Plaintiffs' "notice of 10 election" to prepare the CEQA record of administrative proceedings under California Public 11 Resources Code section 21167.6(a). 12 4. The Petition and Complaint on file in the above-referenced action also alleges 13 violations of the National Environmental Policy Act ("NEPA"), 42 U.S.C. sections 4321 et seq. by 14 Respondent/Defendant U.S. Bureau of Reclamation. 15 5. To avoid unnecessary duplication and confusion, the federal record of NEPA 16 proceedings currently in preparation by Respondent/Defendant U.S. Bureau of Reclamation should 17 be completed and lodged with the court prior to the parties certifying and lodging the CEQA 18 record. As a result, the CEQA record cannot be certified and lodged with the Court within the 60-19 day period identified in California Public Resources Code section 21167.6(b). California Public 20 Resources Code section 21167.6(c) provides that a court may extend that period upon stipulation 21 of all parties. 22 6. If and to the extent it applies to proceedings in this Court, then the time for certifying 23 and lodging the CEQA administrative record identified in California Public Resources Code 24section 21167.6(b) is extended to September 21, 2015. 25 7. The petitions/complaints and answers shall serve as the parties' respective statements 26 of issues under California Public Resources Code section 21167.8(f), if and to the extent it applies 27 in the above-referenced action. 28 8. Nothing in this stipulation constitutes evidence of agreement or consent regarding the
