19 Gina Caruso ("Plaintiff") is a state prisoner proceeding *pro se* and *in forma pauperis* in  
20 this civil rights action filed pursuant to 42 U.S.C. § 1983.

21 On April 12, 2018, Plaintiff filed a request for a Court order allowing her to attend the  
22 law library in general population for up to two hours per week ("the Request"). (ECF No. 68).  
23 Plaintiff also alleges that it is difficult for her to obtain photo copies and legal paper without  
24 access to the general population law library. Plaintiff alleges that she put in a request to get  
25 copies of motions and admissions so that she can send them to defense counsel, but has not  
26 received a response to her request.  
27  
28

1 The allegations about lack of ability to make copies in a timely manner is particularly  
2 pressing. The Court notes that Plaintiff has a May 2, 2018, deadline to send defense counsel a  
3 letter and interrogatories. (ECF No. 67, pgs. 1-2).

4 As Plaintiff appears to be alleging that she may be unable to meet a court deadline  
5 because California Institution for Women is not timely providing legal paper and access to a  
6 way to make copies, the Court will request a response from the Warden of California Institution  
7 for Women to ensure that Plaintiff can timely comply with court orders in this case.<sup>1</sup>

8 Accordingly, the Court requests that, within fourteen (14) days from the date of service  
9 of this order, the Warden of California Institution for Women file a response to the allegations  
10 regarding Plaintiff's inability to make copies in a timely manner.

11 Additionally, IT IS ORDERED that the Clerk of Court is directed to serve Supervising  
12 Deputy Attorney General Monica Anderson, the Warden of California Institution for Women,  
13 and the Litigation Coordinator at California Institution for Women with a copy of this order  
14 and the Request (ECF No. 68).

15 IT IS SO ORDERED.

27 <sup>1</sup> Plaintiff also alleges that the law library in Administrative Segregation does not include access to as  
28 much as case law as the library in the general population, the computer regularly freezes, and there are no inmate  
clerks to assist her with her research. The Warden may respond if he or she so chooses, but is not required to do  
so at this time.
