This is an immigration case in which Plaintiff challenges the revocation of a visa petition filed on her behalf. United States Citizenship and Immigration Services revoked the visa petition citing the Adam Walsh Act. Many of the issues raised in the Complaint are expected to be resolved by a currently-pending Ninth Circuit case, *Reynolds v. Lynch*, 12-55675. *Reynolds* was argued and submitted on February 9, 2015. The parties stipulate that the matter be held in abeyance pending a decision in *Reynolds*. The parties agree to file a status report on December 22, 2015, advising whether there has been a decision and setting forth a proposed briefing schedule in this case.
