UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

LACY CHARLES BLACK,
Plaintiff,
v.
DELANO REGIONAL MEDICAL
CENTER, et al.,
Defendant.

1:15-cv-01124 MJS (PC)

**ORDER DENYING MOTION FOR
APPOINTMENT OF COUNSEL
(ECF No. 9)**

On August 9, 2015, plaintiff filed a motion seeking the appointment of counsel. Plaintiff does not have a constitutional right to appointed counsel in this action, Rand v. Rowland, 113 F.3d 1520, 1525 (9th Cir. 1997), and the court cannot require an attorney to represent plaintiff pursuant to 28 U.S.C. § 1915(e)(1). Mallard v. U.S. Dist. Ct. for the S. Dist. of Iowa, 490 U.S. 296, 298 (1989). However, in certain exceptional circumstances the court may request the voluntary assistance of counsel pursuant to section 1915(e)(1). Rand, 113 F.3d at 1525.

Without a reasonable method of securing and compensating counsel, the court will seek volunteer counsel only in the most serious and exceptional cases. In determining whether exceptional circumstances exist, the district court must evaluate both the likelihood of success of the merits and the ability of the plaintiff to articulate his claims *pro se* in light of the complexity of the legal issues involved. Id.

In the present case, the court does not find the required exceptional circumstances. Even if it is assumed that plaintiff is not well versed in the law and that he has made serious allegations which, if proved, would entitle him to relief, his case is not exceptional. This court is faced with similar cases almost daily. Further, at this early stage in the proceedings, the court cannot make a determination that plaintiff is likely to succeed on the merits, and based on a review of the record in this case, the court does not find that plaintiff cannot adequately articulate his claims. Id.

For the foregoing reasons, Plaintiff's motion for the appointment of counsel is HEREBY DENIED, without prejudice.

IT IS SO ORDERED.

Dated: August 10, 2015
