Case No. 1:15-cv-01360-DAD-JDP

ORDER SETTING DEADLINE FOR
UPDATES ON DISCOVERY ISSUES

MARCH 9, 2020 DEADLINE

15 Plaintiff Jared M. Villery is a state prisoner proceeding without counsel in this civil
16 rights action pursuant to 42 U.S.C. § 1983. On February 24, 2020, the court held an informal
17 telephonic hearing and status conference on the six outstanding issues in plaintiff's motion to
18 compel. *See* ECF No. 57. During the hearing, counsel for defendant Nelson informed the
19 court that a production relating to one of the six outstanding issues had recently been mailed to
20 plaintiff. *See* ECF No. 76 at 2 (describing background). At the time of the hearing, plaintiff
21 had yet to receive this production.

22 The court believes it is prepared to decide the other five outstanding discovery issues.
23 By no later than March 9, 2020, plaintiff may notify the court if he views defendant Nelson's
24 recently mailed responsive production as insufficient. Otherwise, the court will consider the
25 issue resolved and will decide the remaining issues soon thereafter.

26 Should any party have an update on the status of an outstanding discovery issue, that
27 update must therefore be received no later than March 9, 2020.
