IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

C.M., by and through her Guardian ad Litem, Helen Cervantes, individually, and as successor-in-interest to RAMON TALAMANTEZ MENDOZA, et al.,

Plaintiffs,

v.

ARNOLD SCHWARZENEGGER, et al.,

Defendants.

1:15-cv-01709-LJO-SAB

ORDER RE STIPULATION FOR SECOND EXTENSION OF TIME FOR DEFENDANTS TO FILE RESPONSIVE PLEADING

(ECF No. 14)

The parties stipulate under Local Rule 144(a) to a twenty-eight-day extension of time for Defendants Schwarzenegger, Cate, and Yates to respond to the complaint.

The parties request the extension of time because Plaintiffs' counsel anticipate filing either a substitution of counsel or a motion to withdraw from the representation by the first week of May. The requested extension would permit Defendants' counsel to then confer with whomever would be proceeding with the action.
