| 8 | UNITED STATES DISTRICT COURT | |
| 9 | FOR THE EASTERN DISTRICT OF CALIFORNIA | |
| 10 | | |
| 11 | JESSE L. YOUNGBLOOD, | No. 1:15-cv-01746-DAD-BAM (PC) |
| 12 | Plaintiff, | |
| 13 | v. | ORDER ADOPTING FINDINGS AND |
| 14 | CLARK, et al., | RECOMMENDATIONS AND DENYING MOTION |
| 15 | Defendants. | (Doc. Nos. 3, 11) |
| 16 | | |
| 17 | Plaintiff Jesse L. Youngblood is appearing pro se and in forma pauperis in this civil rights | |
| 18 | action pursuant to 42 U.S.C. § 1983. Plaintiff declined magistrate judge jurisdiction, and this | |
| 19 | matter was therefore referred to a United States Magistrate Judge pursuant to 28 U.S.C. | |
| 20 | § 636(1)(B) and Local Rule 302. | |
| 21 | On October 7, 2016, the assigned magistrate judge issued findings and recommendations | |
| 22 | recommending that plaintiff's motion for injunctive and other relief, including seeking that a | |
| 23 | judgment be entered in his favor in this action, be denied. (Doc. No. 3.) The findings and | |
| 24 | recommendations were served on plaintiff and contained notice that objections thereto were to be | |
| 25 | filed within fourteen days. | |
| 26 | On October 21, 2016, plaintiff filed timely objections to the findings and | |
| 27 | recommendations. (Doc. No. 12.) Plaintiff contends in his objections that he has suffered an | |
| 28 | injury and has not received proper medical treatment. He also declares that this action is not | |
| | | 1 |

| 1 | brought by him for any improper purposes. Plaintiff's objections suggest that he has | |
|----|------------------------------------------------------------------------------------------------------|--|
| 2 | misunderstood the scope of the magistrate judge's findings and recommendations addressing his | |
| 3 | request for preliminary injunctive relief. The court wishes to make clear to plaintiff, although his | |
| 4 | motion for preliminary injunctive relief is being denied by this order, his case is not being | |
| 5 | dismissed at this time. As the magistrate judge indicated in the findings and recommendations, | |
| 6 | plaintiff's most recently filed amended complaint has not yet been screened by the court. It will | |
| 7 | be screened to determine whether it states any cognizable claim in due course. | |
| 8 | In accordance with the provisions of 28 U.S.C. § 636(b)(1)(C), the court has conducted a | |
| 9 | de novo review of this case. Having carefully reviewed the entire file, including plaintiff's | |
| 10 | objections, the court finds the findings and recommendation to be supported by the record and by | |
| 11 | proper analysis. | |
| 12 | Given the foregoing: | |
| 13 | 1. The findings and recommendations filed on October 7, 2016 (Doc. No. 11) are | |
| 14 | adopted in full; and | |
| 15 | 2. Plaintiff's application for injunctive and other relief (Doc. No. 3) is denied. | |
| 16 | IT IS SO ORDERED. | |
| 17 | Dated: November 2, 2016 Jale A. Dryd | |
