17	Plaintiff Mario King is a state prisoner and appearing pro se and in forma pauperis in this civil	
18	rights action pursuant to 42 U.S.C. § 1983.	
19	Currently before the Court is Plaintiff's motion request an extension of time to submit a	
20	production of documents to Defendants. (ECF No. 42.) Plaintiff seeks a 30-day extension due to law	
21	library closures preventing him from researching and making copies for the document production.	
22	Plaintiff does not anticipate any further requests for extension. The Court finds good cause for the	
23	requested extension.	
24	Previously, Defendants had sought and been granted an extension of the discovery cut-off date	
25	to allow them to receive and review Plaintiff's discovery responses and determine whether a motion to	
26	compel will be necessary. The discovery cut-off date will also be extended for this purpose, so that	
27	Defendants are not prejudiced by the extension being granted to Plaintiff.
