ORDER REJECTING STIPULATION TO  
EXTEND DISCOVERY SCHEDULE

[ECF No. 34]

ORDER SETTING STATUS CONFERENCE

16 On August 5, 2016, this Court entered a scheduling order setting the trial practice  
17 schedule for this case. (ECF No. 13.) That order specifically sated as follows:  
18

19 *The dates set in this Order are considered to be firm and will not be*  
20 *modified absent a showing of good cause, even if a stipulation to modify is*  
21 *filed.* Stipulations extending the deadlines contained herein will not be  
22 considered unless they are accompanied by affidavits or declarations with  
attached exhibits, where appropriate, that establish good cause for granting the  
requested relief. Due to the impacted nature of the civil case docket, this Court  
disfavors requests to modify established dates.

23 (*Id.* at 8, emphasis as in original.)

24 On June 15, 2017, the parties filed a stipulation proposing to extend all remaining  
25 deadlines and trial settings by three months. (ECF No. 34.) No explanation was provided by  
26 the parties as to the need for the extension, and no declarations/affidavits were filed in support.
