(description of reasons for liability):

I was detained in Fresno County jail 3-2-16 and was booked on 3-3-16 for failure to register in a county I'm not living in nor have I ever lived in Fresno and my time here has caused me severe high blood pressure to the point of dizziness, headaches, hot flashes, and major stress and depression. I'm being falsely accused of living here and all this frustrating matters has taken me away from my kids that are 5 month twins. This is a lack of jurisdiction and false imprisonment. My 1st, 6th, 8th and 14th amendment has been violated on May 5th and 12th 2016 by district attorney Tonga Lee and it is on record by Judge Don Penner court room 34 in Fresno County. Also there was no solid evidence in my preliminary trial at all there was no clothes, no mail, no bill in my name and this was all stated by the detective in my case. I came out to my girlfriends house to visit my kids and to take my son to Valley Children Hospital because he has club feet and needed surgery. My time frame of coming to Fresno from Monterey County is like 2 to 3 times every other

week or when there's a doctor appointment for my disabled son which means the world to me to take care of my son like any father should. For once in my life I can say I'm doing the right thing. I'm now a damaged father and I need to seek counseling due to all this stress caused by Tonya Lee the district attorney. She also filed charges on me that I was booted in as a misdemeanor and she changed it to a felony without the judge awareness. The 1st goes on about my rights being violated. I would like these matter resolved and taken care of as soon as possible and get back to clearing my name and back to my kids that needs daddy. On 3-8-16 I sent in a request to see mental health and on numerous dates I failed to see them but no one has yet to see me. 3-22-16 4-4-16 4-29-16 were dates I submitted request form to see mental health. For all the damages I'm seeking is an estimate of 2.5 million. \$500,000 for lost of job and vehical, an additional \$1,000,000 for stress and high blood pressure issues, and for punitive damages, 1,000,000 because of all this I'm taking blood pressure medication and seeking mental health help.
