

1 cause, and Plaintiff should specifically identify the reasons for her failure to timely file completed  
2 service documents or to comply with the Court's order. (ECF No. 39.)

3 Currently before the Court is Plaintiff's motion, filed August 24, 2018, requesting that the  
4 Court reissue the March 9, 2018 order finding service of the first amended complaint appropriate.  
5 (ECF No. 40.) Plaintiff states that she suffers from many physical and mental illnesses and  
6 complications, which may sometimes interfere with her court filings. Plaintiff further states that  
7 she may have either misplaced, lost, or never received the Court's March 9, 2018 order. As she  
8 cannot locate the Court's order in any of her legal documents, Plaintiff requests reissuance of the  
9 order and service documents for completion. (Id.) The Court assumes that Plaintiff also seeks an  
10 extension of the deadline for submission of the service documents to the Court, which were due  
11 on or before August 21, 2018.

12 Generally, the Clerk's Office will provide copies for Plaintiff at a cost of \$0.50 per page.  
13 Under the circumstances, the Court will make a one-time exception and will direct the Clerk's  
14 Office to provide a copy of the pending findings and recommendations to Plaintiff at no charge.  
15 However, Plaintiff is advised that any further copies will need to be paid for by Plaintiff, and that  
16 it is her responsibility to maintain copies of all orders received from the Court.

17 With respect to extending the deadline for submission of service documents, the Court  
18 notes that, in her prior three motions seeking extensions or a stay of this action, Plaintiff has never  
19 claimed that she was unable to locate a copy of the Court's order or the service documents to be  
20 completed. Rather, Plaintiff has argued that she did not have adequate access to the law library,  
21 and that she suffers from various mental and physical ailments that limit her ability to litigate this  
22 action. (See ECF Nos. 33, 36, 38.)

23 The Court has been awaiting completion of these service documents, a task that does not  
24 require legal research to complete, for more than five months. As noted above, the deadline has  
25 already been extended four times. Plaintiff will be provided with **one final** opportunity to file her  
26 completed service documents. **Future requests for extension of time regarding this deadline**  
27 **will be subject to a narrow interpretation of what constitutes good cause.**
