UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

DOUGLAS J. STEVENSON,
Plaintiff,
v.
K. HOLLAND, et al.,
Defendants.

Case No. 1:16-cv-01831-AWI-JLT
**ORDER AFTER INFORMAL
TELEPHONIC CONFERENCE**
(Doc. 66)

The Court held an informal telephone conference regarding discovery disputes¹. (Doc. 66)
Before the conference, defense counsel agreed to produce the full evidence log for the videotape
of the interview of plaintiff taken on December 7, 2012. There was no agreement as to any other
issue. Thus, the Court authorized plaintiff to file his motion to compel.

The motion to compel SHALL comply with Local Rule 251(c). Failure to do so will result
in the Court dropping the matter from calendar.

IT IS SO ORDERED.

Dated: August 27, 2019

/s/ Jennifer L. Thurston
UNITED STATES MAGISTRATE JUDGE

¹ As an aside, the Court notes that the dispute regarding the bulk of these items has existed since November 2018. Thus, if the plaintiff decides to pursue a motion to compel, he SHALL discuss the timeliness of the motion.
