Charles Goods initiated this action by filing a complaint on July 31, 2017. (Doc. 1) The Court determined Plaintiff failed to identify his claims, and the facts alleged were insufficient to determine whether Plaintiff could state a cognizable claim. The Court ordered Plaintiff to file an amended complaint, but the order was returned as undeliverable. Due to Plaintiff’s failure to prosecute the action and failure to comply with the Local Rules requiring him to keep the Court informed of his address, the matter was dismissed without prejudice on January 24, 2018. (Doc. 6)

Plaintiff now requests that the Court provide him copies of all documents in this case, beginning with “the first written (sic) claim,” reporting his copies of were stolen. (Doc. 8)
