CORECIVIC OF TENNESSEE, LLC, 20 21 Defendants. 22 23

The Court held a status conference in these cases and learned that the parties have settled the case on terms that are different from those the Court refused to accept in Gonzalez v. Corrections Corporation of America, Case No. 1:16-cv-01891 DAD JLT (Doc. 48). Part of the agreement includes that the class period will not close until February 28, 2019. Given this, the Court learned that counsel will be unable to file the stipulated motion for preliminary approval of the class settlement until the employer obtains the final class data, which is expected within a couple of weeks
