UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

JONATHAN GRIGSBY,
Plaintiff,
v.
C. PFEIFER, et al.,
Defendants.

Case No. 1:17-cv-01384-DAD-JLT (PC)
ORDER DENYING PLAINTIFF’S MOTION
TO BE GRANTED A SETTLEMENT
(Doc. 50)

After Defendants recently opted out of the Court’s Post-Screening ADR Project, Plaintiff filed a motion to be granted a settlement conference. In the alternative, Plaintiff asks that a scheduling order issue so that he may begin to conduct discovery. Since a discovery and scheduling order issued on September 15, 2020, Plaintiff’s motion (Doc. 50) is **DENIED** as moot.

IT IS SO ORDERED.

Dated: September 16, 2020
