Many of defense counsel's clients are working as quickly as possible to re-open their

SDC classes, special education services, and get approval for in-person assessments.

As such, much of counsel's week has been filled with last minute Zoom meetings,

conferences, and applications to allow schools to start in-person instruction by the end of

1	September for our most fragile students. Moreover, new cohort guidance was release			
2	on Friday, September 4, 2020, allowing a mix and match of teacher:student ratios, which			
3	allowed many more of our classes to re-open.			
4	Defense counsel is requesting a single week extension to file the responsive brief.			
5	Defense counsel emailed opposing counsel and opposing counsel agreed to the one-			
6	week extension.			
7	IT IS SO STIPULATED.
