Plaintiff Sam Drake is appearing pro se and in forma pauperis in this civil rights action pursuant to 42 U.S.C. § 1983.

Currently before the Court is Defendants’ request for clarification of the Court’s August 12, 2019 order vacating all deadlines.

On December 27, 2018, the Court issued an order that, in relevant part, set a March 27, 2019 deadline for filing an exhaustion-related motion for summary judgment. (ECF No. 46.)

On July 25, 2019, the Court granted Defendants’ motion to modify the scheduling order, and extended the deadline to file an exhaustion-related motion to October 24, 2019. (ECF No. 64.)

Then, on August 12, 2019, the Court granted Defendants’ motion to compel exhausted-based discovery, and vacated all deadlines to be reset after Plaintiff regained access to his property and responded to outstanding discovery requests. (ECF No. 66.) However, in this order the Court inadvertently referenced the December 27, 2018 scheduling order instead of the July 25, 2019 order.
