24  
25 <sup>1</sup> The Court notes that the parties' proposed dispositive motion filing and hearing dates are before the expert  
26 discovery cut-off. The Court has previously cautioned the parties of the risk in setting a dispositive motion filing  
27 dates by ninety days during the telephonic conference on February 25, 2019. Accordingly, the Court presumes that  
28 the parties intended to set the dispositive motion deadlines set forth above and grants the parties' request to amend  
the schedule—without modifying their proposed dispositive motion dates.

<sup>2</sup> The pretrial conference has been adjusted to comport with the customary dates and times for Judge Drozd's pretrial  
and jury trial calendar.
