AMENDED DISCOVERY AND
SCHEDULING ORDER
Exhaustion Motion Filing Deadline: **09/06/21**
Discovery Deadline: **02/02/22**
Dispositive Motion Deadline: **05/03/22**

Plaintiff Michael Thomas De'Armond Jr. proceeds *pro se* and *in forma pauperis* on his civil rights complaint filed under 42 U.S.C. § 1983 on November 20, 2019. (Docs. No. 1, 10). The court screened Plaintiff's complaint and allowed his sole claim of excessive force to proceed. (Doc. No. 11). A discovery and scheduling order was thereafter issued. (Doc. No. 27).
On March 8, 2021, the court stayed this matter pending resolution of a criminal complaint against Plaintiff stemming from the same incident that underpins Plaintiff's complaint. (Doc. No. 36). On June 2, 2021 Defendant filed a status report advising that the criminal proceedings against Plaintiff had concluded and requesting the stay be lifted and an amended discovery and scheduling order be issued. (Doc. No. 37). The Court will lift the stay and resets the deadlines to complete discovery and file dispositive motions.
